From the Crown

Unto the people of the Outlands, Your King and Queen, Artan the Fourthe and Aziza do send warm wishes and gentle greetings in this the month of November, the last of Our reign.

All ye Outlanders harken to our words, We have found heirs to Our thrones and titles. That brave and chivalrous Knight, Sir Vagn Olafsson has proven victorious in the eighteenth Crown tournament of the Outlands. Good Sir Vagn was undefeated in his quest to bring his lady, the lovely Lady Thora Redhair, to the throne. We have witnessed with Our own eyes the final bout of the lists in which Sir Vagn and that noble knight Sir Jalut Gaston de Navarre fought honorably and well. Sir Vagn emerged as the victor of the lists and We have therefore invested him and Lady Thora as Their Royal Highnesses, the Crown Prince and Crown Princess of the Outlands and Dread Lord and Lady of all Argonia.

Our heartiest thanks to the Shire of Caer Galen, Lord Magnus Rothach, Lady Bridget his wife, Lady Elizabeth O'Byrne and Mistress Kyriel of Windhover Cliff who all did an exceptional job running and organizing Crown Tournament. Everything was run well and efficiently and We thank you very much.

We wish to congratulate Our three newest peers, Sir Jalut Gaston de Navarre; His Excellency; Sir Otto the Obscure; and Mistress Francesca di Pavia, who were recognized as peers at Crown Tournament. It was Our great Honor to elevate them to these high ranks and We are proud that they are now peers of the Outlands.

Our thanks in advance to the Barony of al-Barran for agreeing to host Coronation so that Her Royal Majesty would not have to travel in the ninth month of Her pregnancy. We do sincerely appreciate it.

We want to thank all those who helped Us so much during Our reign. The Honorable Lord Blaise and Lady Gwenlyn were indispensable, giving continuously of their time and energy. Our Champions, Sir Needham and Sir Vagn were always there for Us and We thank them for it. The Queen's Guards were constantly helping fetch and carry as well as traveling to foreign lands to fight with Us. The Ladies in Waiting were always there for Her Majesty who in Her condition needed almost constant attention. Her Majesty's Blue Iris Herald, His Excellency, Baron Mark Lasie was wonderful planning Our courts as well as being one of the finest court heralds in this kingdom. We wish to thank Lord Ælric Kyr're, Sir Avram the Jew, and Mistress Sarah de Montgomerie who went extremely out of their way to help Us. We also want to send thanks to Lord Sorin, Lord Triffin and Sir Aric Raven who helped Her Majesty and Us greatly. To Mistress Kate and the Abbey, thanks for all the great food and the wise council. And perhaps the greatest thank you goes to Master Gunwaldt Gulbjorn, who by his patient running of his household and timely childcare, allowed Mistress Ælfæd the chance of not only saving the Society as Executive Director but also of spending extraordinary amounts of time helping Us choose the proper course for this Kingdom during Our reign.

As you all know, this was Our fourth Reign as King and Her Majesty's second. We suffered the indescribable loss of Our squire this summer, but instead of remembering this reign as the one where Baron William died, We will remember it

as the reign where the people of the Outlands came together to help Us through Our time of grief with incredible support. Thank you all.

From Their Royal Highnesses

Unto the most noble subjects of these Outlands do Vagn and Thora, Crown Prince and Princess, send Greetings and Thanks.

Good Gentles, We hope you read these words in all happiness as the air grows crisp and the frost creeps across the ground. We are honored and pleased to be the heirs to Their Majesties, Artan IIII and Aziza, and we invite all to attend our Coronation in al-Barran. We would send sincere appreciation to the good people of Caer Galen, especially Lord Magnus, Lady Elizabeth O'Byrnne and Mistress Kyriel. We were deeply touched by the graciousness and generosity of the people of the Shire.

As the time of our reign approaches we would ask all artisans to consider sending us a sample of their work so that we may distribute the beautiful products of our Kingdom to worthy subjects and visiting royalty as gifts, and prove that the Outlands artists are as mighty as her fighters.

Finally, we would ask that everyone going to war begin preparations. Those of you who provide support to the war effort at Estrella War are the most prized of our populace. Thank you all!

We Remain,

Vagn Thora

Unser hafen Baronial A&S College

November 12

Period tales were rich and varied and we want to hear yours. Explore the tales of your time period and those relating to your favorite activities and come share with the rest of us! Many nationalities used unique methods to relay their stories –do any relate to your persona? Creativity counts! Call now to schedule a class. Some classes already on the agenda are Scherezade, Puppetmaking, Period Footwear Construction with Accompanying tales and possibly a live owl display with period tales. This latter will have space available for 20 gentles and will need a reservation and class fee of $3 and will be cancelled if sufficient reservations are not made.

A thematic competition will be held and judged by the newest members of our barony. Your documentation will need to clearly demonstrate to them that your work is done in period style. It will also demonstrate to them what we mean by the scary and nebulous term "DOCUMENTATION." If you are concerned about the accuracy of the documentation of an item you wish to enter, the judges will also pass judgement on which entry delights them the most, so let's see those fanciful works you wished you could enter!

The site is located at 15200 W. 6th Avenue in Golden, Colorado. The day's activities will center on the feast, socializing, and court. Peers' circles will be held on Sunday, at the discretion of the Crown. A delectable feast is being planned by Don Alexandre Lerot d'Avigne, with Lady Bridgit O'Breslin coordinating the dessert table. I am pleased to announce that two fine feast autocrats, Mistress Ursula d'Arcy and Lord Aleyn James Stuart, will be heading up the kitchen staff. The feast will be served both Above and Below the Salt. (What this means is that there will be a dual price structure for the feast, with those Above the Salt being served additional dishes.) Some of the items to be included in the feast are: roast capons, mutton pie, roast beef with wine sauce, spinach pie, game hens, rabbit pie & custards. Off board seating will be available.

We request a donation of $15.00/table, payable in advance, no tithe. Baron Douglas MacAndrew is Merchant Coordinator, please contact him at 303-456-8464 for more information of this sort.

A weekend of medieval ecstasy that truly must be experienced to be believed. So mark your calendars now and keep your eyes on your local newsletter for further details as they develop. This is truly a once in a lifetime occurrence you are not going to want to miss. So stand ready, Caerthe's 25th year approaches! Boffer Tournaments for Children

Have you ever seen a Boffer tournament? It's a fun tournament just for the children of the SCA (and sometimes adults too.) All throughout the Society there are standards in place for heavy weapons, light weapon fencing and archery, but not for children's boffer tournaments. We, the Barony of the Citadel of the Southern Pass and the Shire of Caer Mithin Halle, would like to develop a set of Kingdom Guidelines for Children's Boffer Tournaments. We would like to enlist the help of all the good people of the Outlands in the preparation of these guidelines. If you have any ideas that you could share with us, please contact either Sir Ian, Baron of The Citadel of the Southern Pass or Lady Royse at the listed numbers below.

At this time we are only looking for ideas, suggestions or concerns that would make boffers for children both fun and safe. Areas to be addressed include, but are not limited to, boffer sword and shield designs. Our goal is to develop boffer standards that are acceptable to all the baronies and shires of the Outlands.

If you would like to assist us in doing something for our children, please let it be known. Your assistance will be welcomed in this project..

Sir Ian Domhal (Clint Hutchison), (915) 821-7007
Lady Royse of the Sinte (Rose Adams), (505) 887-6199

Their interum Seneschal and Hospitaller is Radu the Red who can be reached at (303) 351-3150. They meet weekly at the Bo Farrach site and time.

The three bridges will be separated by twenty (20) feet. There will be a fifty (50) foot deep staging area behind the bridges which will be secured by a hard boundary. The battle can be won by either: (a). Eliminating the opposing army; or (b).

Controlling sixty (60) percent or more of two of the three bridges at the end of the thirty minutes. One (1) war point will be awarded for this battle. Combat archery is NOT allowed.

9. BROKEN FIELD, RIVER BOTTOM, RESURRECTION BATTLE: A Resurrection Battle shall be fought ten (10) minutes following the prior battle. A number of differences from traditional Resurrection battles will be followed:

Each side will begin with three hundred fifty (350) resurrections.

Each side will have a sixth banner that represents an additional fifty (50) resurrections. This banner will be three (3) feet high by five (5) feet long.

All six banners represent one hundred seventy-five (175) total additional resurrections. Each banner shall be mobile and may be moved anywhere on the field. Enemy banners are captured and then returned to that armies resurrection point in order to "collect" the banner's resurrection points.

Combat shall be to the last man/life. One (1) war point will be awarded for this battle. Combat archery is allowed.

The archery competition has been determined by the Archer Generals of the Kingdoms of Atenveldt, The Outlands, and Caid. Three events, one sponsored by each Kingdom, shall occur. Each Kingdom is responsible for supplying the targets for their scenario. Complete rules of the Competition will be provided at the war. The Archery competition will determine one (1) war point.

IX. **Fencing Competition**

The Fencing competition is now an official Estrella Event. The Marshals of Fence for Atenveldt and The Outlands will determine the specific parameters for this Competition. The Fencing competition will not count for any war points, but will be used to build upon for competitions at future Estrella Wars.

X. **Weapons/Armor Standards**

A. Armor standards for each combatant shall be the Society standards and all additional requirements of their Kingdom of residence. Inspections should be completed before the war. Inspections will also occur on site.

B. Weapon standards for each combatant shall be the Society standards and all additional requirements of their Kingdom of residence.

C. The Maximum length on spears shall not exceed nine (9) feet.

XI. **Fighting conventions**

A. Face thrusts shall be allowed. A thrust to the eye-slot which moves the helm shall be considered good, in other words, a touch does not kill.

B. Killing from behind shall be allowed. The attacker must stay with the victim for a minimum of two (2) seconds **and** say something equivalent to "You are dead from behind, m'lord!" The victim should accept the blow as soon as either the polearm is placed on the shoulder **or** the weapon is placed in view of the victim. Killing from behind must be active and reasonable. "Light" killing from behind may be disregarded by affected combatants. All participants who choose to Kill from behind must make a determined and assured effort rather than quick and negligible.

C. All unimpeded projectile "hits" shall be considered adequate to kill or maim.

Thus ends the Estrella War XI Treaty

The final version will have the signatures of the principal Crowns.

From the Seneschal

Baron Lambert de Sur

Good Gentles, Recent changes to Kingdom Law shift the "Kingdom Weekend" to the second weekend of the month beginning in January. Events on these weekends must be coordinated through the Kingdom Seneschal. The revised dates for the major kingdom events in1995 are listed elsewhere in this issue. We are actively soliciting bids for the Spring events. Please contact me concerning Crown Tournament and Coronation, and the A&S Minister for the Collegium.

Eques Titus Cladius Severus, the Baron of Unser Hafen, has been selected to be the Outlands appointee to the new Grand Council of the Known World created by the Board in April. The Grand Council, which will eventually include thirty to forty members, is chartered to investigate the "entirety of the SCA--its basic structure, organization, and ways of doing things." It complements the Interkingdom Advisory Council, on which we are represented by **Master Roderick de Kane,** which is chartered to "advise the Board on matters involving the medieval recreation side of the SCA." Contact these gentles with your suggestions and comments concerning Society-level policies and issues.

The number of events including equestrian activities are increasing. The Event Form must indicate if equestrian activities are being planned and the activities must also be coordinated through the Head of the Equestrian Guild, **Kassandra of the Wolves,** to ensure that the insurance and safety requirements are met. Her address is in the "Important Addresses" listing.

Please join me in thanking **Lady Helena the Fortunate** for her distinguished service to the Outlands as Chronicler and in welcoming her replacement, **Lord Alwyn of Kittisford.** Thanks also to our Kingdom Chamberlain, **Duchess Berengaria,** who is departing for the far reaches of Argonia; her replacement will be **Lady Emma of Essex.**

In Service,
Lambert

From the Minister of Arts and Sciences

Mistress Liobsynde Belhringere

Greetings from the MoAS! The Kingdom Arts and Sciences Collegium will be held in March 11th and 12th. Preferably, it will be held in the Southern region (Raton to El Paso). Groups in the Northern region are welcome to submit bids so that there will be something available in the event that I don't get bids from any Southern groups.

For this event, the autocrat will handle arrangements for the site. I will handle the schedule and recruit volunteers to teach classes. Feasts and lunches are encouraged but optional if the surrounding city has good restaurants available. More details on site requirements are listed in a one sheet handout available from me or from your local arts and sciences officer.

A very important note: Autocrats for this event do not have to be Arts and Sciences officers. BIDS ARE DUE TO ME BY DECEMBER 5, 1994.

I am also looking for instructors. Class subjects should fit into the context of the SCA either in historical content or our recreation of the period.

Estrella War is also coming up. The arts categories are heraldic display, alcoholic beverages excluding ales and beers and woodworking. I have the judging criteria sheets available for use in preparing entries.

In Service,
Liobrynde

1994 WHITE STAG MEETINGS:

From the Chronicler

Lady Helena the Fortunate

I bid you all kind greetings and a warm farewell. Though I leave this office a bit less sane, I still come away with many new friends and a lot of good experience. A good solid trade. I also leave with peace of mind because of the very talented Lord Alwyn, my successor. Please show him the courtesies and considerations that you have shown to me. **The deadline for the next issue is NOVEMBER 1st.** If you have any questions concerning the *OH* you can contact him directly or call me, as I will be staying on as his deputy for the time being

If it weren't for Coronation this issue would have been called either the 'Estrella's Comin!' issue, or the 'Ælflæd is Wonderful!' issue. To the first, I would like to encourage everyone to find their niche for the Estrella War and work it. Be it cook, fighter, singer, dancer, marshal, or what have you; this is for fun yes, but since we are a principal this year it will be a more serious endeavor.

The second headline would have been just as appropriate. Everything you like about this newsletter exists because Mistress Ælflæd took the time to work with me and teach. Everything you don't like is there because I'm stubborn or was experiencing a brain bubble during *OH* class. Whoops. The point here is that Mistess Ælflæd has given of herself tremendously for this newsletter and I am ever thankful to her.

I told myself that I wouldn't turn this last letter into something that would make me teary-eyed for years to come, so I won't give all of the lengthy good-byes and thank-yous that would flood pages of this issue. Instead, I will thank all the people of the Outlands for allowing me to serve them. And lastly, I thank Artan IIII and Aziza, for their constant support and for carrying the burden of the Crown with a grace borne of the world's best kings.

Ever in Service,
Helena

From the Kingdom Scribe

Mistress Joella of Blue Lion's Keep

During the month of September, the Citadel of the Southern Pass hosted the Kingdom Heraldic and Scribal Symposium. I would like to thank Her Majesty for gracing the event with her presence. A special thanks goes to Master Da'ud ibn Auda for traveling so far to spend a day in our fair Kingdom. The event was a great learning experience which would not have been complete without all the wonderful teachers who traveled to share their knowledge.

The instructors for the Heraldic sessions were: Master Da'ud, Lady Renna of Battersea, la Dona Dulcinea, Baron Iric Julien of Black Elk, Mistress Fiachra ni Ciardhubhain, Lord Walter Kemp of Falconhold, and Countess Kathryn of Iveragh. The Scribal instructors were: Mistress Sarah de Montgomerie, Lord William of Chesterfield, Lady Ari McUrfeist and Mistress Monika von Zell. I think everyone who atended had an excellent time and we will see the results of instruction in future endeavors. A special autocrat thanks goes to TE Ian and Charitee, Mistress Monika for the fabulous feast, Eldin for his courteous aid and Lord Gavin Brangane for returning the tables.

The Outlands is proud to host the Known World Heraldic and Scribal Symposium in Caerthe next June. I will be scheduling the scribal classes. At this point I would like those people who are interested in teaching to send me a paragraph summary of their class, items needed by students and time needed to complete instruction. At this time I don't know how many classrooms will be available for our use so I want to prepare a list of teachers & classes. Since this is a Known World event, I hope to have a large number of instructors from all over. Deadline for submitting teaching applications will be in April. I will keep you updated on this date.

Yours in Service,

Joella of Blue Lion's Keep

From the Equestrian Guild

Kassandra of the Wolves

Greetings unto all! As many of you may already know, we are totally restructuring the Equestrian Guild. We have a new set of Equestrian By-Laws and Rules of the List that will hopefully reduce the amount of injuries and incidents that may occur at equestrian events. There are now copies available for anyone interested. We have also created a Board of Regents to help with all the duties involved in running the Guild. The assignees are listed as follows; Regent of Safety—Carolyn, Regent of the Games—Lady Thorhalla, Regent of the Reeve—Lady Aithne, and Regent of Official Relations (the catch-all position)—Lady Talina the Gypsy.

The Equestrian Guild wants you! We are open for anyone to participate. And we welcome all! We do not expect you to bring a horse to an equestrian event, be a fabulous rider, or even ride at all. We are in need of a variety of talents and willing persons; groundcrews, equipment constructors, sewing, metal work, leatherwork, historical research, heralds and artists. Please contact me if you would like to donate some of your time and effort to the guild for any of the above activities or others.

Horses at events – If you would like to have equestrian activities at your event, please contact me so that I can get the necessary insurance coverage. We will supply marshals, forms and waivers, gaming equipment and anything else equestrian that you may want for your event. Relax, and we'll do the work for you!

I would like to thank TRM Artan IIII and Aziza, and Duchess Jeanne D'Aussey for their wonderful help and advice. The guild wouldn't be where it is now without their kind assistance. Thank you.

In Service,

Kassandra

From the Chirurgeon

THL Rhys Afalwin

Chivalry, courtesy and politeness are bywords of the SCA. When there is an injury the Chirurgeon has a wealth of helping hands to assist him or her. Sometimes those helping hands become a little too close, and get in the way. It would be a great help if the wonderful people who are assisting any medical responder would step back three paces and take their own pulses. It gives the Chirurgeon more room and provides a little privacy to the injured person. As the Chirurgeon needs additional hands he or she can ask, knowing that help is only three steps away.

When an injury occurs at an event, the person who provides first-aid care is viewed as having the consent of the SCA in providing that care whether that is the case of not. It concerns me that I have recently received reports of people providing medical treatment who not only are not Chirurgeons, but are not even credentialled by any mundane authority to provide care. These people are not sanctioned by the SCA. I'm not referring to the mundane EMT, nurse or doctor who has chosen to not be a Chirurgeon, but still wishes to help when there is a need. I am referring to the person who "Used to be an EMT, Paramedic, First-aid Provider." "Used to be..." means that they are not anything (medically speaking.) By providing treatment they place the SCA at risk. Seneschals, Autocrats, and Marshalls, please pay attention to whom is providing care to the people attending your events. Encourage the Used-to-be's to renew their certifications before they provide care to anyone.

I recently contacted all of the Chirurgeons that I have record of, and asked those who are not current in their credentials to provide me with the necessary updates so that their Warrants can be renewed. After two months, those chirurgeons who did not provide updated material were placed in an inactive status. The listing below is the current listing of Warranted Chirurgeons in the Outlands. If you believe that your name should appear on this list please contact me.

From the Archer General

Lord Thorfinn Greybeard

Greetings unto the good Gentles of the Outlands. Congratulations to Their Highnesses, Sir Vagn Olafsson and Lady Thora Redhair. May they receive wise council to aid them in leading our Kingdom in the upcoming Estrella War.

I have great news for those who practice archery in our fair Kingdom. At Crown Tournament Lord Rand the Tracker of Oak Hollow won the first Outlands Royal Archer Tournament to become our premiere Royal Archer. He was installed in his position of honor in Their Royal Majesties Honor Guard, and was charged to lead our archers to victory in the approaching Estrella War. This Outlands target archery champion will be chosen for each reign in the Royal Archer Tournament held in conjunction with each Crown tournament.

In addition, Their Most Royal Majesties Artan IIII and Aziza awarded the first of our new Kingdom archery ranks to nine yeoman archers. These skilled archers form the first of many who will aid our Kingdom by competing in target archery for war points, and train our archers for battle. The yeoman archery rank signifies knowledge of safe archery practice, ability to aid in marshaling the archery line, skill in the practice of archery and the personal possession of the necessary archery equipment to compete for our Kingdom.

From this start we will need to swell these ranks mightily to be victorious over Atenveldt who has over 150 Kingdom-ranked archers to draw from in her war efforts. I challenge the southern baronies and shires to poll your populous for interest in target archery, and to support that interest by establishing regular target archery practices run by authorized Outlands Archer Marshals. All northern baronies and over half of our northern shires have archery officers and hold regular target archery practice. However, in the north we are shut off from archery practice in the winters as indoor archery ranges, if available at all, are too expensive for most of our populace. Thus we go to the Estrella war stale in our archery skills.

We will try to include target archery practice at least monthly in conjunction with our northern war practices, but it would greatly help our kingdom's cause to have more active target archery in the southern regions. As an additional challenge to every person of the Outlands who will attend Estrella war, remember that every point shot for the Outlands in target archery will count. You do not need to be Kingdom ranked, nor an expert archer to aid our Kingdom in this war point.

If you can shoot six points in a clout shoot or advancing archer shoot, that is six points more for our Kingdom. Get your bows and arrows and get to your local archery practice to become familiar with safe archery line practice and customs. Hone your skills. Fighters, this goes double for you, as we offer all target archery tournaments at times which do not conflict with the war battles and tournaments. Give double service to your Kingdom. We need to overcome Atenveldt's superior number of Kingdom-ranked archers and the advantage of being the defender.

In a similar vein, Atenveldt is rumored to have over fifty combat archers committed to her war effort. Our King has challenged us to at least have parity with Atenveldt's combat archery in support of our other troops at the war. The best defense against our foemen's combat archers is our own more effective combat archers. To this end, if each of our five baronies and their associated shires, cantons, and households could field eleven trained combat archers equipped with 15 to 20 of the improved foam-filled golf tube arrows, in addition to their regular forces, we will meet this challenge.

In Service to the Outlands,

Thorfinn

Bo Farrach Lows Greetings

The Incipient Canton of Bo Farrach invites you all to come visit us at our new and larger weekly site at John Evans Junior High, 2900 15th Avenue, in Greeley, Colorado. We meet most every Tuesday from 6PM to 9PM for dancing, heavy weapons training, fencing and other classes in medieval arts such as calligraphy, gaming and feast preparation. To encourage visitors, here are concise directions: Take interstate highway 25 to highway 34 West to Greeley. Stay on hwy 34 choosing the 'By-pass' route at the overpass. Just past the Greeley Mall is 17th Avenue; turn south on 17th Avenue three blocks. At 29th Street Road, turn East (left), go three blocks to John Evans Jr. High and turn left into the parking area. Park and find us in the center of the building in the cafetorium. If you enjoy having a fun time in the Middle Ages, come join us.

Lady Lughbec ni Eoin, Seneschal
